SPECIALTY STRIP & OSCILLATING, INC. ANNOUNCES
LANA HIXSON’S TEN-YEAR EMPLOYEE ANNIVERSARY

Masury, Ohio – May 9, 2018 – Specialty Strip & Oscillating, Inc., 1262 Standard Ave., announces the ten-year employee anniversary of Lana Hixson becoming their Accountant/Office Manager.

Lana is responsible for all of the accounting functions, as well as answering phone calls and managing the office. She is a 2005 college graduate with an Associate’s Degree in Accounting from Trumbull Business College, with previous experience in Accounts Payable. Lana resides in Howland with her husband, Michael, son, Ethan and daughter, Harper.

“We are fortunate to have Lana, a hard-working and knowledgeable employee, for ten years. She keeps our office and accounting functions running smoothly, and we could not imagine our team without her” said Specialty Strip & Oscillating President, Adam Von Philip.

Specialty Strip & Oscillating, Inc. is a supplier of conventional slit and oscillate coils in cold-rolled low carbon, high carbon, alloy and stainless steel. Specialty Strip provides coils with 20 to 25 miles of continuous strip with capabilities to process coils up to 2-1/2” in width and a coil weight of 5,000 lbs.

Further capabilities include welds annealed and ground, slit and duburred, as well as straight patterned coil walls coiled on steel liners, fiber cores, and spools. Finishes are achieved through Galvalume, hot dip galvanizing, electro-galvanizing, galvannealing and prepainting in cold-rolled strip and sheet. Customers can run a coil uninterrupted for 10 to 15 times longer than conventional ribbon-wound coils. This eliminates downtime, coil end scrap loss, coil telescoping and tangling—increasing savings, efficiency and productivity.

To place an order for an oscillated coil, please call Adam von Philp at 866-658-5282, email generalinfo@specialtystrip.com or visit specialtystrip.com for more information.
